

附件：

全国青少年科技创新服务云平台注册指南

一、打开网站

<https://www.cyscc.org/#/>

网站咨询联系人：施老师 010-68518519

二、用户注册

1. 点击右上角的“注册”按钮。

2. 根据提示依次输入“昵称”、“您的真实姓名”、“邮箱或手机号”，点击“获取验证码”。

(注意：除“密码”外，其他“注册信息”一旦提交，将无法修改。)

3. 输入邮件（或短信）中收到的验证码。

注意：验证码有效期为 3 分钟。使用邮箱“获取验证码”时，验证码邮件可能会被当作垃圾邮件直接存入“垃圾箱”。

4. “输入登录密码”时需要注意，密码必须 6-24 位的数字和字母的组合。再次输入密码，以便确认。

The image shows a registration form titled "注册" (Register) with a back arrow on the left. It contains several input fields: "请输入昵称" (Please enter nickname), "请输入您的真实姓名" (Please enter your real name), "请输入邮箱或手机号" (Please enter email or phone number), "请输入验证码" (Please enter verification code) next to a blue "获取验证码" (Get verification code) button, "请输入登录密码" (Please enter login password) with an eye icon, and "确认密码" (Confirm password) with an eye icon. At the bottom is a large blue "注册" (Register) button.

The image shows the same registration form with data entered: "shanshan" in the nickname field, "833" in the real name field, "biss@makerclass.cn" in the email field, and "512862" in the verification code field next to the "获取验证码" button. The password field contains "....." and is highlighted with a red box. Below it, a red error message reads "请输入6-24位数字和字母的组合" (Please enter a combination of 6-24 digits and letters). The "确认密码" field is empty. The "注册" button is at the bottom.

5. 如果第二次输入的密码与第一次不同，系统将会提示。这

时，可以点击输入框右端的“小眼睛”，查看两次输入的密码有何不同。

The image shows two examples of password mismatch errors. In the first example, two password input fields are shown. The first field contains a masked password (dots), and the second field contains a different masked password. A red box highlights the 'eye' icons on the right of both fields. Below the second field, a red error message reads '第二次输入的密码不匹配!' (The password entered the second time does not match!). In the second example, the first field contains the password '20210426a' and the second field contains '20210426b'. A red box highlights the 'eye' icons on the right of both fields. Below the second field, a red error message reads '第二次输入的密码不匹配!' (The password entered the second time does not match!).

6. 确保第二次输入的密码与第一次一致后，点击“注册”按钮。

The image shows a registration form with two password input fields. The first field contains the password '20210426a' and the second field contains the same password '20210426a'. Both fields have an 'eye' icon on the right. Below the fields is a blue button with the text '注册' (Register).

The image shows a mobile registration form titled "注册" (Register). It includes a back arrow on the top left. The form fields are: a text input with "shanshan", a text input with "833", an email input with "biss@makerclass.cn", a text input with "512862" next to a blue button labeled "获取验证码" (Get verification code), two password inputs with masked characters and eye icons, and a large blue "注册" (Register) button at the bottom.

三、登录（含首次登录）

1. 跳转到登录界面后，输入注册时的“邮箱或手机号”和“登录密码”，点击“登录”按钮。

The image shows a mobile login form titled "登录" (Login). It includes a "返回首页" (Return to home) button in the top right. The form fields are: an email input with "biss@makerclass.cn", a password input with masked characters and an eye icon, and a large blue "登录" (Login) button. At the bottom, there are links for "注册" (Register) and "忘记密码?" (Forgot password?).

2. 首次登录的用户，需要选择“角色”：“我是学生”、“我是教师”、“我是科技教育工作者”、“我是科研人员”、“其他”。

注意：“角色”一经选取无法修改。

3. 登录后，点击页面右上角的个人头像，进入“个人中心”页，可查看当前账号的角色。
